Hon. William B. McKinley
Champaign, Illinois

Dear Sir:

I am informed that you are interested in medals and I beg to enquire whether you have ever received an invitation to associate yourself with the American Numismatic Society. If not, may I ask you to consider this invitation to become an Associate Member. The annual dues are but Five Dollars. You would receive our publications and be entitled to subscribe to any medals we issue.

The enclosed circular gives a brief statement of our objects. I should be very happy to receive a favorable word of your consideration of the above suggestion.

Very truly yours,

Secretary
